EMEDIONG TITUS

ACHIEVEMENTS

💎 **Coordinated a year-long creation of the NexusForge Architectural application.**

I was able to bring to life, one of the best applications and platform the architectural realm could imagine.

✔ **Made creative inputs into a game development project**

Asides my role in the job, being called upon for something I'm passionate about too which is game creation was a real thumbs up to me.

✔ **Co- speaker at a tech-based solutions platform**

I could feel the satisfaction from those who I taught the basics of C# to.
From the appreciations, it was fulfilling for me.

💎 **Single-handedly designed a city model**

The length at which it took me, the consistency of a full year of working everyday.

STRENGTHS

⭐ **Leadership**

Was awarded a Certificate of leadership at my academic level (2015-2017)

💡 **Creative Thinking**

This is a naturally trait I've got. Through this, built my Architectural Firm's app (NexusForge Architects), a worldwide solutions providing platform in the architectural realm.

Junior Software Engineer

STRENGTHS

👥 Communication

Through series of team work and collaboration, I have developed the ability to see the need of understanding clearly tasks before embarking on them.
Literally sponsored by an adequate communication effective system.

💡 Problem Solving

Having been through intense training as a self taught and then through ALX.
I have the ability of finding ways to get past challenges on my own in moments where group collaboration isn't feasible.
